Dear Eleanor and Henry,

When I think of you all, and  
you could receive from  
me. I still feel fine:  
or let to do, or let to see. A  
week ago I spent the weekend  
in New York - great fun. Last  
Saturday I spent the afternoon  
with Richard and Savitry. I  
hope to travel around a bit  
during the Easter holidays. Give  
 regards to the kids. Looking forward  
to seeing you again soon,  
Eleanor
